

Success Criteria for Stop Motion Animation

	Below	At	Above
Scene / background picture	doesn't match the story, scribble, only one colour, boring, vile, garbage, messy, no colour	matches the storyboard tidy finished	perfect, creative, intelligent, interesting
Storyboard	poor punctuation, scribble, not interesting, garbage, messy, not finished	makes sense finished readable good punctuation	thrilling, fantastic, has a problem and a solution, exciting
Movie Camera Technique	shaky, crowded, hands in picture, poor lighting, no sound, not finished, no text	matches storyboard, has introduction and credits, no shadows, the right amount of photos	special effects, not shaky, excellent lighting, music and voice match story, right length, only characters and props in the movie
